NANDT-Board FOCA Recognition

Dear Sir / Madam,

Herewith the Swiss Federal Office of Civil Aviation (FOCA) recognizes the Swiss Society for Non-Destructive Testing (SSNT/SGZP), based in Dübendorf (Switzerland), as the National Aerospace NDT Board in accordance with Commission Regulation (EC) No. 2042/2003 (EASA Part-145).

This recognition is based on the accreditation of the SSNT/SGZP by the Swiss Accreditation Service (SAS).

The SSNT/SGZP has been officially accredited as the office for training, certification and surveillance of NDT-personnel in accordance with standard EN 4179 (References: Art. 14 Abs. 4 Accreditation- and Designation Act (AkkBV, SR 946.512), SCES-register, accreditation number: SCESe 018; and EASA Part-145 145.A.30(f), AMC 145.A.30(f)).

This recognition neither transfers public services to SSNT/SGZP, nor does it constitute a concession for SSNT/SGZP. With this recognition the FOCA declares to SSNT/SGZP and third parties that the SSNT/SGZP, based on the accreditation by the SAS, is capable to train, certify and surveil NDT-personnel in accordance with standard EN 4179, and that for this purpose the SSNT/SGZP has been recognized and designated as the National Aerospace NDT Board in accordance with EASA Part-145 and AMC 145.A.30(f).

Upon revocation or suspension of the accreditation this recognition will lose its validity with immediate effect.

Yours sincerely

Federal Office of Civil Aviation
