

Multilateral Agreement on Recognition of Certification

Certificate of Registration

The NDT Personnel Certification Scheme

Operated by

Swiss Society for Non-Destructive Testing

has satisfied all of the qualification criteria of the EFNDT Multilateral Agreement for Recognition of NDT Personnel Certification Schemes, and has been accepted for recognition and registration within the terms of the Multilateral Recognition Agreement (MRA).

The Certification Body may therefore announce that holders of its certificates gained under these arrangements are certificated by a scheme which is recognized by the European Federation for NDT as meeting the requirements of the European Standards and Technical Documents referenced in the schedule of accredited scope issued by the accreditor.

A copy of the MRA, including a list of the signatories and a schedule of those certification bodies registered as satisfying the criteria for recognition, is available on www.efndt.org.
